

Photo Identification Card

When you come to Riverfront Park in downtown Daytona Beach to check-in your collector car or truck on Friday or Saturday, we'll have a Photo Identification Card on-site for you to fill out. However, if you prefer, you can print out this page and fill out the form below before coming to check-in. If you wish to use the card that we furnish at check-in, you can bring along an address label and affix it, so you only need to fill out information on site about your vehicle. You may bring more than one vehicle to check-in, and you may have other people drive your vehicle(s) if you wish. For each vehicle you get photographed at check-in, you'll receive a free enhanced Official Keepsake Photo by snail mail several weeks after the event, and we'll also make each image available in high resolution, on www.DaytonaBeachDreamCruise.com, so you and anyone can enjoy it however desired – printing out multiple prints or enlargements, printing on garments, using as your screen saver, using on business cards, etc. Your Official Keepsake Photo is made possible by National Parts Depot (NPD) and NAPA Auto Parts (Triple Crown Auto Parts with two Daytona Beach area stores).

Please Print Neatly so we can mail your free photo correctly
